Deer Class – Daily Learning Update (Wednesday)

Morning Circle

We began with holiday sharing, giving the children another opportunity to speak about their experiences while listening respectfully to others. We reviewed our animal sentence structure “This animal is from…” and revisited our class song. The children enthusiastically added animal dance moves to match the song, strengthening their understanding through movement.

Phonics

Red Group

Focused on learning the letter sounds o and c. The children practised recognising and pronouncing these sounds before completing reinforcement activities.

Green Group

Continued exploring the Set 2 sound “oo,” using the rhyme “oo, look at a book.” They practised reading book, look, took, shook, and cook. They completed their first partner reading of the phonics book “My Dog Ned.”

Orange Group

Focused on the Magic E pattern u-e, using the phrase “huge brute.” The children confidently read words such as tune, huge, brute, use, and mule.

Self-Exploration Time

- Arctic Insulation Experiment – Understanding how insulation helps Arctic animals stay warm
- Biome Sorting Tuff Tray – Sorting plastic animals into their correct habitats
- Animal Pattern Painting – Observing and recreating animal fur patterns

Outdoor Play

The children enjoyed outdoor play, developing coordination and teamwork through active games.

Maths

Miss Naomi revisited yesterday’s maths content, consolidating the children’s understanding.

Art Class

Miss Charlotte introduced the children to the chameleon and discussed how it can change colours. The children created a multi-coloured chameleon cut-out using squeeze-and-spread painting technique.

Miss Naomi’s Chinese Class

Children reviewed measure words 棵 (for plants) and 只 (for animals) and learned a new one, 朵 (for flowers). They practised saying 一朵、两朵、三朵 and explored colours 红色 (red) and 黄色 (yellow).

Friendly Notice

Starting this Friday, we will hold a special monthly birthday event with games and activities to celebrate the children’s February birthdays!
